

St. Brigid's Catholic Primary School

Strategic Renewal Plan 2016

- Attend the One Conference with staff from all schools in the South West region, investigating the theme of ONENESS with self and others to promote community, collaboration and cooperative learning.
- Develop a quality 'living' Line of Sight and Scope and Sequence documents for the Religious Education curriculum in preparation for validation in October.
- Develop the school theme 2016 – Year of Mercy: Kindness and Love. Explore a Christian virtue each month.
- Implement a well-structured, age appropriate range of social action opportunities.

- APRE to undertake five year appraisal.
- Undertake a pilgrimage as a whole school to St. Mary's, Ipswich to enter through the Door of Mercy. St. Mary's is one of the six designated churches in our Archdiocese.
- To work collaboratively with the parish priest and liturgical team on the new sacramental guidelines and programs.
- Continue close association with the P&F in order to collaboratively enhance school resources and to build relationships.

Mission and Religious Education

Learning and Teaching

In line with the Brisbane Catholic Education School Priorities at St. Brigid's we intend to:

Professional Practice and Collaborative Relationships

Strategic Resourcing

- As a school in the DELT strategy of Learning Collaborative – Extended seek to inspire higher expectations for learning.
- Continue to implement the Australian Curriculum especially Health and Physical Education and Technology.
- Review our approaches to ensure they are aligned with the Australian Curriculum in developing personal and social capabilities of all students.
- Use the BI tool to engage with student and school data using a range of monitoring tools to inform planning and teaching.

- Continue to plan for the allocation of school resources informed by stewardship, contemporary learning and the changing needs of our students.
- Focus attention on information and learning, teaching and evolving school operation technologies.
- Prioritize resources and budget allocations to support our goals in achieving best teaching and learning practice.
